

The Department of Biostatistics invites you to attend the

**BIOSTATISTICS UNDERGRADUATE
SUMMER INTERNSHIPS (BUSI)
RESEARCH SYMPOSIUM.**

This symposium is the culmination of the summer research experience for our BUSI interns. It offers them a space to engage with fellow students, faculty, and the community while discussing their research projects.

Wednesday, Aug 16, 2023 from 10 AM - 12 PM
MHRC Armfield Atrium

Coffee & light refreshments from Panera Bread will be provided.
Funding for the event is provided by GPSG and the Department of Biostatistics.
