

# Application for Biostatistics Undergraduate Summer Internships (BUSI) 2023 at UNC

5 PM, Jun 15, 2023

This application is due by 11:59 pm on Monday, March 20, 2023 (return from spring break) and is only open to current UNC BSPH biostatistics students.

\* Required

1. Full name \*

2. Primary email address \*

3. Phone number \*

4. Current year in program (as of Spring 2023). Seniors who will graduate May 2023 are eligible to apply. \*

- Freshman
- Sophomore
- Junior
- Senior
- Senior + some time

5. Major(s) and minor(s) (if applicable) \*

6. Have you taken BIOS 511? \*

- Yes
- No

7. Briefly list any BIOS, CompSci, STOR and MATH courses you will have completed by May (include AP Calculus or AP CompSci). Please include dept/course # and your grade.

Example: BIOS 511, B. \*

8. How comfortable are you with using the following programming languages? \*

	Never Used	Some Experience	Very Comfortable
R	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
SAS	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Stata	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Python	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
MATLAB	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Other (e.g., GIS, Java, C++)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

9. Please specify if you chose "Other" in question 8.

10. What else do you have planned for the summer? (a best guess is appreciated if unknown) \*

11. Ideally, how many hours a week are you interested in working? You can supply a single number or a range. \*

12. What types of opportunities are you interested in this summer? \*

- I am only interested in working as a paid intern.
- I would be interested in both paid or unpaid opportunities.

13. Please select your preference with respect to a virtual versus in-person internship. \*

- Virtual only
- In-person only
- Either virtual or in-person

14. If the opportunity arises, would you be interested in continuing this research into the fall? \*

Yes

No

Maybe

15. Would you be interested in making this a senior honors project if this project presents the opportunity?

Some students may only be interested in the summer research experience, which is absolutely fine. We just want to find a good fit for these opportunities. [The difference: a senior honors project has more structure and stricter timelines. You would register for 3 hours of research credit in the fall and spring (total 6 hours), have a learning contract with deliverables, prepare a thesis document, and present your research in late spring.] \*

Yes

No

Maybe

16. Upload your resume here. Please name the document using this convention: YourLastName\_YourFirstName\_CV. \*

File number limit: 1 Single file size limit: 1GB Allowed file types: Word, Excel, PPT, PDF, Image, Video, Audio

17. Upload your UNC unofficial transcript here (downloaded from ConnectCarolina is fine). You may also upload transcripts from other colleges or universities that you have attended, but this is not required. High school transcripts are not required. Please name the document using this convention: YourLastName\_YourFirstName\_Transcript. \*

 **Upload file**

File number limit: 9 Single file size limit: 1GB Allowed file types: Word, Excel, PPT, PDF, Image, Video, Audio

18. Briefly tell us a little bit about your interests in biostatistics. For example, do you have any specific research areas of interest (such as survival analysis, statistical genetics, clinical trials, etc.) or any particular faculty members that you would be interested in working with? \*

19. Is there anything else that we should know about you that we didn't ask in the above questions (it is absolutely fine to leave this blank)?
